

# Privacy Policy for Checkie.AI, dba Testers.ai and Test.ai

*Last updated: 11/1/2024*

Checkie.AI (doing business as Testers.ai and Test.ai) is committed to protecting your privacy and ensuring transparency in how we collect, use, and share your data. This Privacy Policy outlines the types of information we gather through our Chrome browser extension and explains how we use, store, and secure it.

## 1. Information We Collect

Through the Checkie.AI Chrome extension, we collect data about the web pages you visit in order to perform automated quality analysis. The types of data we collect include, but are not limited to:

- Content and DOM Information: HTML structure, text content, and other Document Object Model (DOM) elements of the web page.
- Network Calls: Information about network requests made by the web page, including headers, URLs, and responses.
- Browser and Usage Data: Browser type, extension activity, and usage data to improve the functionality and user experience of the extension.

## 2. How We Use Your Information

The collected information is sent to our AI-powered analysis systems to perform quality assessments, including generating and executing test cases, identifying potential bugs, and reporting any detected issues. Specifically, we use the data to:

- Analyze and evaluate the quality of web pages and applications.
- Generate automated test cases and execute them on web pages.
- Identify bugs or issues and report these findings.
- Improve the performance and accuracy of our AI models and services.

### 3. Data Sharing and Third-Party Providers

We do not sell, rent, or share your data with third-party companies for their own marketing or business purposes. However, we may transfer certain data to third-party AI providers strictly to perform the analysis requested by you. Please note:

- Third-Party AI Providers: Checkie.AI may share data with select third-party AI providers to facilitate analysis. These providers are prohibited from using this data to train new models or for any purpose outside of performing the requested analysis on behalf of Checkie.AI.
- Internal Use for Model Training: Checkie.AI reserves the right to use collected data for internal model training to improve our AI and analysis capabilities. Only non-personal, aggregated, or anonymized data may be used for this purpose unless explicitly permitted otherwise.
- Public Data: Any data that is publicly available (such as non-protected, publicly accessible web page information) may be used to build an index of app quality metrics for public reporting purposes.

### 4. Data Security and Retention

Checkie.AI takes reasonable measures to secure the data we collect and protect it from unauthorized access, alteration, or disclosure. We retain your data only for as long as it is necessary to provide our services and fulfill the purposes outlined in this Privacy Policy, unless a longer retention period is required by law.

## 5. Your Choices and Control

You may uninstall or disable the Checkie.AI Chrome extension at any time to stop further data collection. If you have questions about your data or wish to request deletion of your data, please contact us at [jason@checkie.ai](mailto:jason@checkie.ai).

## 6. Updates to This Privacy Policy

Checkie.AI may update this Privacy Policy periodically. Any changes will be posted on this page, and we encourage you to review it regularly.
